Docket No. _____

RECEIVED
PUBLIC SERVICE COMMISSION
SOUTH CAROLINA
JAN 11 2006

Sprint Long Distance, Inc. (or "SLDI") respectfully notifies the South Carolina Public Service Commission ("Commission") of its name change from Sprint Long Distance, Inc. to Embarq Communications, Inc. The name change will be undertaken in furtherance of SLDI's business plan to separate its identity from Sprint Nextel Corporation ("Sprint") to a stand-alone telecommunications company and to avoid confusion in SLDI's dealing with regulators, other government agencies, vendors and customers as further described below.

1. Sprint Long Distance, Inc. was incorporated February 23, 2005, under the laws of Delaware with its principal office located as follows:

 Sprint Long Distance, Inc.
6200 Sprint Parkway
Overland Park, KS 66251

2. SLDI was granted a certificate of public convenience and necessity to provide intrastate telecommunications services between and among locations in the State of South Carolina as a non-facilities based interexchange service provider by Order No. 2005-689 dated December 8, 2005 in Docket No. 2005-238-C.

3. By motion approved in Docket No. 2005-407-C, March 7, 2006, at its agenda conference, the Commission granted SLDI a certificate of public convenience and necessity to provide resold and facilities based competitive local exchange service in South Carolina.

4. SLDI was created and incorporated as a subsidiary of Sprint in anticipation of the merger of Sprint Corporation and Nextel Communications, Inc and the subsequent separation of Sprint's local business and payphone units. Further, SLDI's corporate parent, LTD Holding Company (as it was known in the original application seeking certification for SLDI) has changed its legal name to Embarq Corporation. LTD Holding Company was created as a separate entity by Sprint for the purpose of owning and operating SLDI as well as Sprint's local and payphone subsidiaries in South Carolina. While Sprint retains ownership of the wireless and long distance operations, most existing in territory Sprint long distance customers are being transferred to SLDI. The Commission approved the transfer of control of SLDI as well as the local and payphone subsidiaries by Order No. 2995-690 dated December 8, 2005 in Docket No. 2005-246-C.

5. SLDI has effected a corporate name change to that of Embarq Communications, Inc. and has so amended its corporate charter in the State of Delaware and further has amended its certificate of authority to transact business in South Carolina to reflect its name change (please see the Certificate of Amendment for the State of Delaware attached as exhibit A and the Certificate of Authorization issued by the South Carolina Secretary of State attached as exhibit B).

6. The name change is a part of SLDI's continuing effort to establish its separate identity from that of Sprint and in doing so, will help prevent confusion in SLDI's dealing with regulators, other government agencies and customers.

7. The name change to Embarq Communications, Inc. will have no impact on customers or service; customers will be provided notice of the name change via a bill message which is mailed directly to customers; and SLDI expects to begin using the new name on or after April 24, 2006.

8. SLDI respectfully submits that the public interest, convenience and necessity will be furthered by the name change.

9. Correspondence or communications regarding this notification should be addressed to:
